September Trips

Wednesday, September 6th we will meet in the front lobby at 9:00am. Bring your cash and join us for another day trip to the Chumash Casino.

Wednesday, September 13th
We will leave the front lobby at 9am to visit and take a guided tour of the Ventura library. After this informative tour, we will enjoy lunch at the Lure Fish House.

Wednesday, September 27th we have plans to see the movie Glass Castle. We will announce the time of departure closer to the date. Here is a short synopsis.
Based on a memoir, four siblings must learn to take care of themselves as their responsibility-averse, free-spirited parents both inspire and inhibit them. When sober, the children's brilliant and charismatic father captured their imagination, teaching them physics, geology, and how to embrace life.

Please sign up in the Dining Room Lounge for all outings.

SHABBAT ANYONE?
I've been a resident of the Ventura Townehouse since February, and I am enjoying my new friends and the sense of community here. However, I find that on Friday evening, the start of the Jewish celebration of Shabbat, I experience loneliness, as I light the traditional candles…… If you are interested in coming together to usher in Shabbat with candle lighting, challah and some good old Manischewitz, please join me in the Founders Room on Friday's at 5:00pm.
Selma Dressler.

New Activities and Activity Highlights

Thursday, September 1st our monthly book club review will be held in the Founder's Room, at 2pm, with Deborah Pollack. We will review the latest short story, In Dreams Begin Responsibility, by Delmore Schwartz.

Wednesday, September 6th join Mary Wilson in the dining room lounge for trivia and many fascinating facts surrounding the holiday of Labor Day.

Saturday, September 9th invite your grandchildren to the Townehouse for our special Grandparents Day event. See flyer in the dining room lounge for more details about this fun event.

Wednesday, September 20th Channel Islands National Park can be challenging to experience. Now, through advanced technology, Channel Islands Live brings the park to you. Join rangers as they dive through towering kelp forests and hike dramatic island trails. Explore the Anacapa Light Station. See nesting bald eagles and the region's largest western gull rookery. Learn about this unique island chain, the threats confronting it, and how our national park is protecting and restoring this diverse ecosystem. Channel Islands Live includes interactive broadcasts, where visitors can talk to the rangers and ask questions. By bridging the channel through technology, we are helping plant the seeds of understanding that can grow into the desire to preserve and protect this extraordinary place. Streaming video and audio from the Channel Islands is delivered by wireless network supported by the park and Ventura County Office of Education. Using the latest education technology, live interactive dives are delivered directly to the Ventura Townehouse and seen on our three smart TV's. Invite your family and friends to join us for this exciting event. It begins at 1:30pm on Wednesday, September 30, in the dining room lounge.

Wednesday, September 20th join us for an end of Summer Dance, beginning at 7pm in the Vista Room. We have invited Rod Robles on Keyboard and Trumpet, and Bob Bishop on Guitar and Vocals. This professional duo will play live music from the 40s, 50s and 60s. Refreshments will be served. Invite your family and friends, this will be a fun night!

Friday, September 22nd Join Rabbi Lotker in the dining room lounge at 2:15pm for a special Rosh Hashanah Service

Wednesday, September 27th at 2pm, classical pianist and educator Luis Sanchez will guide us through the classical period of the 18th 19th and 20th century. This will be part one, of a two-part series to be continued.
