RE: Covid-19 Test Result Update

Dear Residents, Family Members and Employees,

We are delighted again to report that all resident and employee results from last Thursday's overall testing returned negative for COVID-19. We are a COVID-free community and cleared by Public Health. Going forward, we will do 10% random COVID testing on our employees every two weeks, per state guidelines.

Thank you so much for your ongoing courteous and considerate efforts in keeping the Townehouse family healthy. Please continue to wear masks, frequently wash and sanitize your hands, and maintain social distancing. We truly appreciate and are sincerely grateful for all your help.

Warmly,

Evan Granucci
Executive Director
