April at the Townehouse **Introducing Ms. April**

I was born and raised in the beautiful state of Montana where my husband and I had three wonderful daughters and one terrific son. They gave me five grandchildren who grew up far too quickly. In my younger years I enjoyed skiing, riding my bike and kayaking. Now I love to read. I am a retired hair stylist who specialized in color. I was given the opportunity to work on stage, learn, and give classes for the Wella corporation.

I enjoy people who are cheerful and wise, which I have found in abundance since moving to the Ventura Townehouse. While here, I began to learn the art of painting. I attended the art classes and learned many techniques from my good friend Kazuko. I hope to join those classes again post Covid.

Today I hope that people can see my heart as an "unfinished" work of God; who after fifty years of studying the Bible, love Jesus Christ and look forward to seeing Him in person someday.

Sincerely Delores Vigil

PASSOVER March 27 thru April 4th

Happy Passover to all our residents. Meet Rabbi Latowicz in the Rose Garden on Thursday April 1st, at 3pm, for a celebration of Passover. We will serve kosher wine matzah and macaroons.

Easter Sunday

On Easter Sunday come join us for a concert in the Rose Garden. Festivities will start at 2pm with a wine social and live music featuring our favorite five-piece Dixieland Band. We have invited a special guest! So, wear your Easter bonnet and have your picture taken with the Townehouse Easter bunny!

WELCOME TO OUR NEW RESIDENTS

Introducing Beverly Eidson

Beverly was born and raised in Ventura. Starting at age five, Beverly learned how to play the piano and violin. She began giving piano lessons to her school friends so she could earn enough money to buy her own piano. Beverly attended Ventura High School and has fond memories of playing first chair violin in the school orchestra. She enjoyed playing the organ in church and was often invited to play for funerals and weddings. When she joined Ventura Community Presbyterian Church, she had the privilege of playing their beautiful pipe organ. Beverly especially enjoyed directing the children's choir. She started and directed the bell choir at Community Presbyterian and later started a senior bell choir program. Welcome, Beverly!

Introducing Alice Forbes

Alice was born in LA in 1930. She weighed 3lbs at birth and back then premature babies had a slim chance for survival. She was fortunate to be in a hospital that had an incubator. She grew up in Los Angeles and had a career in accounting. She married and was blessed with three daughters. Alice has fond memories of hiking and backpacking in the Sierras. She joined numerous nature hiking groups and made many lifelong friends while exploring the great outdoors. Now retired, she enjoys playing bridge, and is looking forward to joining one of our bridge groups. Welcome, Alice!

Introducing Janice McGuire

Janice was born in the small town of Truckee in Northern California. Her family moved to Ventura when she was young. She lived and raised her family in the same house on Poli street for 40 years. Her husband was a wine connoisseur and was the proprietor of the local wine shop Mandell's. Janice assisted her husband with the family business, she was the family bookkeeper. Janice has been a long-time member of the Missionary Church. Due to the pandemic, she misses socializing with her Bible study group. She is looking forward to joining groups here at the Townehouse. Welcome Janice!

A special thank you to Sue Pench for decorating our elevator lobby area. We enjoy seeing her creativity every holiday!

TOWNEHOUSE NEWS

Dining Re-Grand Opening and Introduction to The Much Anticipated, “Al Fresco” Outdoor Patio Dining.

Alas, the re-grand opening of our restaurant transpired on Monday, March 15th. The beaming faces of both residents and employees could not be missed, nor could the overwhelming buzz in the air. We are back in business and it feels more than good, to say the least. Effective April 24th, we will move away from our staggered dining times and resume our all-day dining. The restaurant will be open beginning at 7:15am with final serving at 6:30pm including availability to sit with whom you desire.

Thank you to everyone who submitted their suggestion of names for our restaurant and al fresco outdoor patio. We received an abundance of creative suggestions for our outdoor patio and with the combined name submissions and after much deliberation, “The Pier” was chosen. There were only a handful of suggestions submitted for our restaurant and after reviewing and collaborating, “The Landing” was selected.

Everyone who submitted their suggestions will be entered into a raffle drawing for multiple prizes which will be drawn on April 23rd at 2:00pm during our grand opening of the Pier. Please join us on the Pier patio to celebrate while enjoying delicious hors d’oeuvres and the fresh outdoors.

We are thrilled to announce and brand our dining establishments within the Townehouse. Can you envision it now? “We’re headed to The Landing at The Townehouse,” or “We will be dining al fresco at The Pier on Friday evening.”

Dining at “The Pier” will be available on April 24th. Relax and enjoy the beauty of the outdoors, including new tables and chairs along with heaters. To dine al fresco at the “The Pier,” inform the hostess upon arrival, and voila, that is all it takes.

Bon appetite!

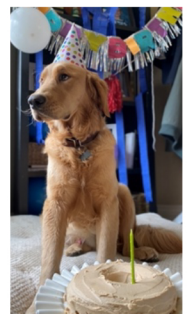

Evan Granucci
Executive Director

Welcome Justine Perigo

My name is Justine and I was welcomed to the VTH family as the Executive Assistant almost two months ago. I wear many hats, employee, mother, wife, sister, daughter, and full-time student. I have two creative 9-year-old children (no, not twins, but they sure look like it). My husband Matthew and I met when my son Jagger was 13 months old, and his daughter Gigi was 15 months. She is big sister and doesn’t let any of us forget it. They have a precious relationship I hope they hold onto for years to come.

We live here in Ventura with our goldy boy Arthur Berkley. He’s the sweetest family dog, and currently the most popular family member. Jagger and Gigi love music and boogie boarding. We spend our weekends enjoying down time, going to the beach, exploring new bakeries for sweets, and going for bike rides. Pre COVID we were Disneyland annual pass holders and loved spending time at the parks making memories. We’re hoping to visit Disney World sometime soon. I’m here for you should any billing questions come up. I look forward to getting to know everyone!

Resident Bulletin

Hi.....thought this should be shared with residents. In the last two days, I have received many scam phone calls stating either from the Social Security office or Medicare. Maybe because we have been so “cooped up” for so long, they think we are easy targets. Might do well for others to know not to accept these calls. It had been a very long time since I had experienced this, but the last couple days very intense. Don’t be scammed by crooks over the phone.

Maxine Snelgrove

National Police Dog Foundation

Some time ago we had the police dogs and their handlers visit. They put on a stellar demonstration.

Since then, we have sold toy dogs through our Townemart store, raising \$120 for the National Police Dog

Foundation. We wish to thank Clara Alviani’s son, Robert, who delivered our donation last month.
